Custom Lead Qualifier Template

All the CompuLEAD lead retrieval units come equipped with ten standard lead qualifiers. For an additional charge, you can choose to create and supply CompuSystems with qualifiers specific to your company using the template below. Simply select the Custom Lead Qualifiers option on the lead retrieval order form, and fax this template to CompuSystems along with your order. Your lead retrieval product(s) will then be programmed with the qualifiers you specified.

You may create up to 99 Custom Lead Qualifiers, up to 21 characters long (including blank spaces).

In addition to letters and numbers, the following characters may be used: dashes, greater than and less than symbols, and plus and minus signs.
